SANITATION
--SINCE 1955 --

Attention Fox Sanitation customers:

Effective May 1, 2020, Hardin Sanitation will be your new waste hauler!

While more information will be coming soon, we wanted to introduce ourselves and answer some questions you may have. Thanks so much for your time and for the opportunity to serve!

Who are we?

Hardin Sanitation has been providing quality waste collection services in Idaho since 1955. We serve Payette, Canyon, Washington, and Ada Counties. We pride ourselves in being reliable, affordable, and environmentally minded. Hardin Sanitation strives each day to create a safe and rewarding environment for our employees, and protect the health and welfare of the communities where we live and work.

Hardin Sanitation's parent company is Waste Connections, which began in Vancouver, Washington in 1997. Waste Connections still maintains a large presence in the Northwest, including servicing Idaho residents in Payette, Twin Falls, Idaho Falls, McCall, and throughout Ada County.

What changes can I expect?

Hardin Sanitation will take over waste services for Fox Sanitation effective May 1st, 2020. If you have received this notice your services will be part of the transition. Hardin Sanitation will be your new point of contact for customer service questions starting on May 1, 2020.

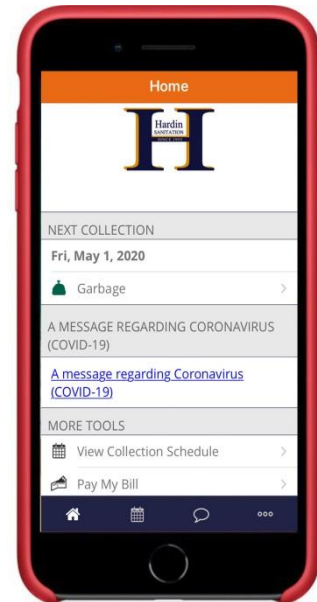

In the coming weeks we will be in contact with you via mail and email regarding the transition.

Starting next week, you be will able to download the free Hardin Sanitation Mobile App!

The app lets you receive:

- Notifications the night before pickup day to set out your can.
- Inclement weather information.
- Information on community recycling opportunities/events.
- Access to the Waste Wizard, which allows you to search where items are recyclable in our area.

Will anything change on how I pay my bill?

Hardin Sanitation also has on-line bill pay and automatic payment set up, along with the traditional pay by phone or mail options. You can also drop off payment at our office. We will be contacting you with more information on how to get set up with on-line bill pay if you would like that option.
